CLARIFICATION ON KING TEE DEE'S INVOLVEMENT IN THE OTJIWARONGO SPORTS BONANZA

OTJIWARONGO, NAMIBIA

25 August 2026 - Mendozer Investments CC wishes to clarify the role and involvement of Namibian artist King Tee Dee in the Otjiwarongo Sports Bonanza 2026, following concerns or enquiries regarding the event's financial affairs.

King Tee Dee was engaged solely in his capacity as a performing artist for the entertainment programme of the Otjiwarongo Sports Bonanza. He was the headline performer for the music show, alongside other artists, as stated in the original event communication.

King Tee Dee has no involvement whatsoever in the financial administration, collection, management or disbursement of funds relating to the Otjiwarongo Sports Bonanza. He was not responsible for payments to suppliers, creditors, service providers, sporting teams, prize money or any other financial obligations associated with the event.

All financial matters relating to the Sports Bonanza are the responsibility of Mendozer Investments CC and the authorised organisers of the event. Any enquiries concerning outstanding payments, creditor balances, banking details, sponsorship funds, prize money or other financial matters should therefore be directed to Mendozer Investments and not to King Tee Dee.

We wish to emphasise that the artist's involvement was strictly limited to his contractual performance and entertainment responsibilities. His participation should not be interpreted as an indication that he was a partner, organiser, financial administrator, sponsor, fund manager or beneficiary of the event.

Mendozer Investments CC appreciates King Tee Dee's contribution to the entertainment programme and his participation in an event that was designed to bring together sport, music, unity and community. The original event programme identified him specifically as the headline performer for the music show.

We therefore respectfully request that members of the public, stakeholders, creditors, service providers and the media refrain from directing financial enquiries or allegations concerning the Sports Bonanza to King Tee Dee.

For any queries relating to the financial affairs or administration of the Otjiwarongo Sports Bonanza, please contact Mendozer Investments CC directly.
